Kyaa!
Won!
WHAT ARE YOU DOING, STUPID?
Go get a teacher, hurry!
....Gu Won!

Don't just stand there!
Ah...
Let's take him to the nurse's office.
We're going to treat his wound until the ambulance arrives.
Ye... yeah.
I'll carry him.
You can carry this guy?

Nurse's Office
Don't lay him down on the bed.
Lean him up against the wall, and make sure his back doesn't touch it.
Okay.
Why is the nurse never here when we need her?!
Can you go to the office and look for her?
Alright.

Why is the nurse taking so long?
What if he's losing too much blood?
Am I supposed to bandage him?
Ah! I'll remove his shirt first!
Then, I'll take out the glass shards.
SFX: SLIDE

What are you doing?
SFX JUMP

AHH!!!
Wh..what's with you?
You were awake this whole time?
I never fainted in the first place.

It wasn't so bad pretending to be hurt, though.
What?
It's not every day you get the chance to be carried by a prince.
SFX: SNAP
SFX: SWIRL
SFX: CLEAN
SFX: JAW-DROP

You aren't hurt?!
Of course not.
There's no way I'd be hurt by something like that.
But I figured that it'd be too suspicious if I was okay after getting hit.
You...
YOU SCARED THE HELL OUT OF ME, BASTARD!!
Why are you yelling at me?

who wouldn't be surprised when someone gets hurt and bleeds so much?!!
If you were okay, why didn't you say so earlier?!
I didn't know she was that scared
She acted so calmly..

whatever!!!
From now on, I don't care whether you live or die!!

Even though she acts like a tomboy she's still a girl
He died of excessive bleeding!!

Hey!
Why are you doing aerobics in the middle of the night?
I can't sleep because of you.
It's not called aerobics. It's called training.
Today at school...
I felt someone's "power", but I couldn't figure out whose it was.

Was it this guy?
No.
That Kayan whatshisface....
It's not him.
Then...
It's not him either!!
If it was, I would have known.
Definitely.
Then was it that bastard?
Hmm...

This...
This is proof that my mind has grown fuzzy since I came to Earth!!
Train! I must train!
He's the type of guy who overworks himself for no reason.

As he moved around, he looked as if he was gracefully dancing with his sword.
Under the silver moonlight he glowed brightly.

I thought the same thing earlier today when he was fencing but...
Hey...
You know, you look kinda cool when you're doing that.
What?
반 전
SFX STARTLE
You're not planning to steal this sword... eh?
Ohh. This? Of course it does. It's been passed down through generations...
I...I mean... That Sword!! It looks really cool!!
I'm going to sleep! Good night!
Hold on..

SFX: SLAM
?
Stupid.
Stupid.
What was I thinking?!
Why did I say something like that to that arrogant guy...
Meanwhile Yohan...
Damn. She's got an eye for these things.
If it's her, she just might nab my sword while I'm sleeping and sell it off.
I'll have to hold onto it tightly while I'm asleep!
Next day

I owe you guys big time.
You're heading back now?
I have to make sure the kingdom stays safe.
I've been living carefree, so I might as well go back as a responsible prince
Haru, thanks for everything
Haha—
I know that he's leaving and all, but...

why do I have to see him off?!!
That's because...
Prince Rhodes is royalty in our kingdom.
To you aliens, he's royalty, but how does that concern me?
If you marry Prince Dominic, it'll be VERY MUCH your concern.
Ah!!
Yohan, come here
?

Dominic regained his memories, right?
How do you know?
When he saw me at school earlier, he ran away.
Still avoiding his gaze
He usually yells, 'Woah—it's a bird,' when I'm around.
Prince Why are you so easy to figure out?!
It must worry you.
He's going to have to face Kayan soon.

I'd be lying if I said it didn't.
It does.
Shall I give you a hand?

What?
Haru! Let me borrow your body one last time!

What are they whispering about?

PRINCE DOMINIC !!

DON'T HIT YOHAN-HYUNG!!

SFX: TOUCHED
Prince...
Who are you to tell me what to do?
I'm punishing him as our planet's prince.
A coward who ran away from his destiny and lost his memories doesn't have the right to interfere.
SFX: PULL

It's true...

I am scared.

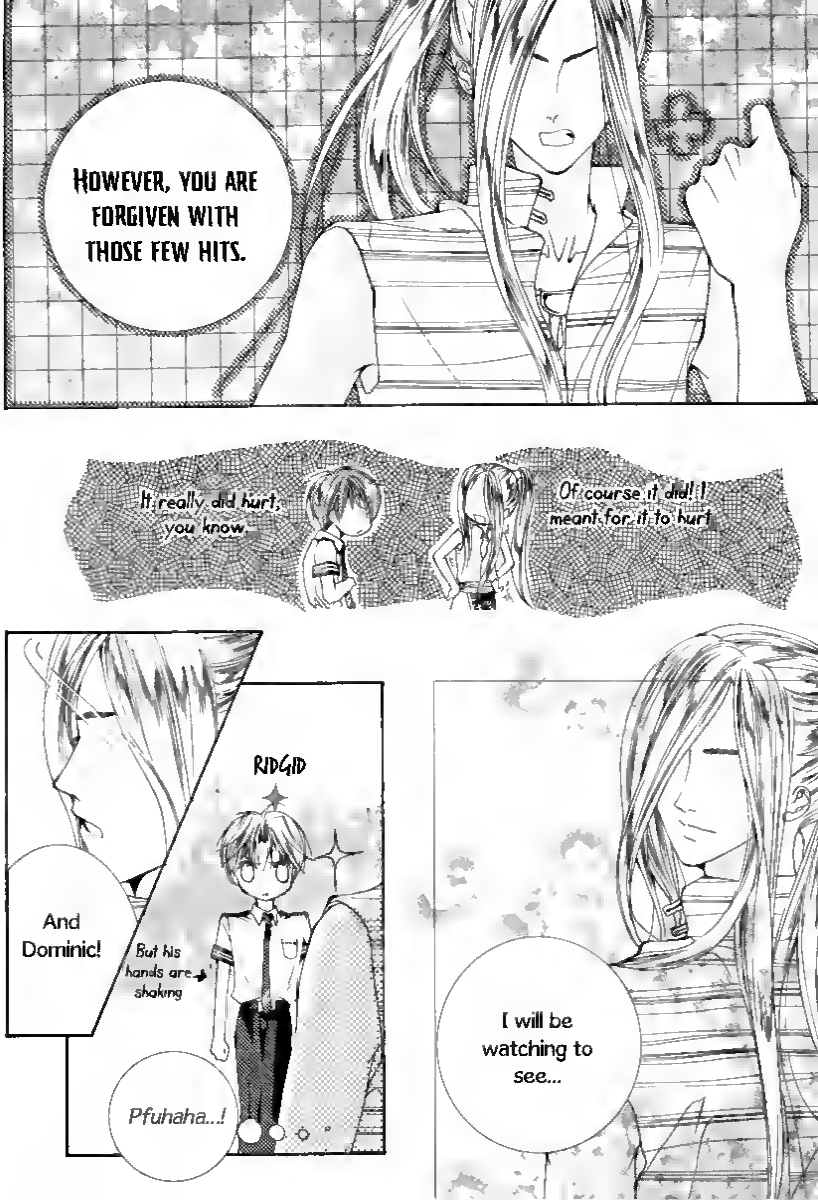
STOP IT NOW!!
AS A SUCCESSOR TO THE THRONE, I COMMAND YOU!!
DON'T LAY A HAND ON MY SUBORDINATE!!

I promised I'd protect them
Those whom I love
Those whom I treasure...
Prince Dominic...

Hold on!
If he remembers that he's successor, then...!!
Remembers the evil she'd done to Dominic

You should have waited until everyone acknowledged Dominic as a worthy successor to the throne.
Your hasty decision caused turmoil in the kingdom
and created tension within the royal family!

You should have waited, Yohan.



HOWEVER, YOU ARE FORGIVEN WITH THOSE FEW HITS.
It really did hurt, you know.
Of course it did! I meant for it to hurt.
RIDGID
And Dominic!
But his hands are shaking
Pfuhaha...!
I will be watching to see...

What kind of king you will become...
Hyu...
Hyung-nim!!
And as thanks for helping everyone out..
SEX. SMOOCH

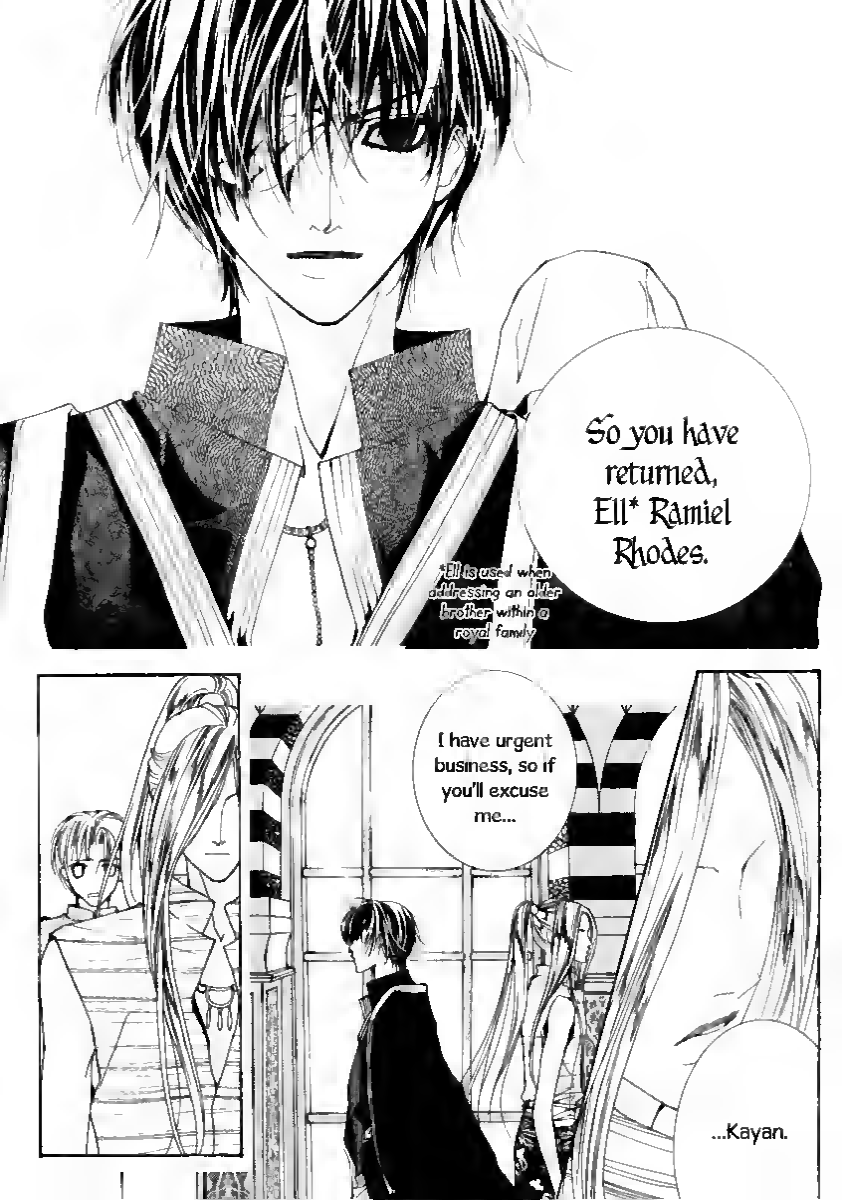
A small peck won't matter, right?!
You bastard—!!
YOU ARE DEAD IF I CATCH YOU!!
Ha ha~
Goodbye and take care, everyone.

TOUCH

Do you want to go back?
No. It's alright.

Go ahead, Yohan.
Show me the world that you wanted to create through him.
That girl was really cute though.
Too bad she's my brother's fiancee
TOUCH

Ah! Prince Rhodes!!
This time you came back early as promised!!
When did I ever break my promises?
You always do...



So you have returned, Ell* Ramiel Rhodes.
*Ell is used when addressing an older brother within a royal family
I have urgent business, so if you'll excuse me...
...Kayan.

Don't recklessly move the army as you please.
They will be mine soon enough.
They serve the whole kingdom, not just you.
The Royal Army...
and the throne.
Everything on this planet.
Let's go, Nokia.

I will see them soon.
Dominic...
And Yohan...
This should be interesting.

A Diary of Troublesome Adventures

Chapter 13

This morning I'm watching
a really unusual scene...
meus cunctus mens mentis
With all my heart,
lingua
my word,
consilio confero
and my soul,

obses infinitās infinitio
I swear my loyalty to you

Tch. What's he blabbering about?

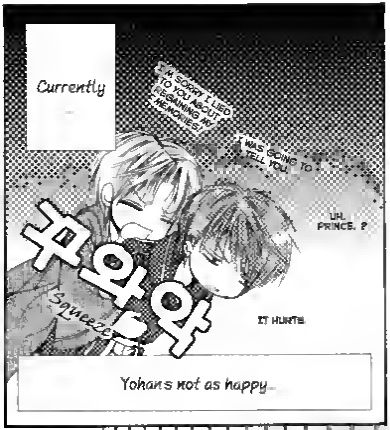
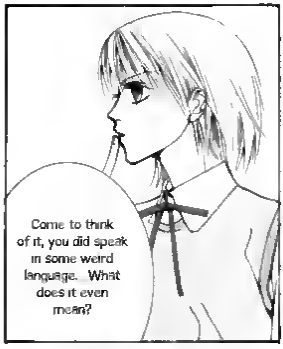
Hahaha!!
Yohan-hyung~
Little Dominic
It made Yohan happy



Currently
I'M SORRY I LIED TO YOU ABOUT REMEMBERING MY MEMORIES
I WAS GOING TO TELL YOU
UH, PRINCE..?
Squeeze
IT HURTS
Yohan's not as happy...

What's with the formal greeting all of a sudden?
You've never done that before.

Up until now, he'd lost his memories.
He wouldn't have understood the purpose behind it.
Purpose?



Come to think of it, you did speak in some weird language. What does it even mean?

——

You.
Do you want to marry me?

WHAT?!!
There are only two occasions when you'd greet someone that way.
If you greet a man that way, it's usually because he's your master

If you greet a woman that way, it's to ask for her hand in marriage.
Gah~
If you really wanted to know...
NO, NO! I 'M NEVER ASKING YOU AGAIN, YOU SHAMELESS PERSON!
Saejul Good morning~
Yeah, yeah. Good morning to you too.
ALTHOUGH NOTHING GOOD HAPPENED TO ME...

Hey... How's Yohan?
He's right in front of you, so why're you asking me?
But Yohan's kinda scary
Get lost.
I don't deal with people like you!
Go away!
It's hard to talk to him with that kind of aura around him.
Maybe it's his true charisma...
It's because he's a jerk
Charisma my ass

You know, a teacher told me yesterday,
that the glass that fell out of nowhere was from a nearby construction site.
He said there was heavy equipment holding it up, so he didn't know how the glass even fell

He also said it's a miracle that no one besides Yohan got hurt
because with glass that big, many more students should've been injured.
That time...
I was really frightened
That bastard.. scaring people like that
Mhm. Me too.

Saeju~
We won't see each other during lunch today.
So even if you miss me, please understand...
Let's just not see each other ever again!!

Ay~ Don't be mad!
Whatever, you traitor!!
I'm home—
Hmm? Mom's not home?
Food.
IS MOM A BAKING MACHINE?!
They're so noisy
Beep

Yeah
It's me.
!
WHAT?!
NOW?!
...I understand
What is it, Yohan-hyung?
What's going on...
Prince Dominic.
Prince Kayan will be paying us a visit soon.

YOU SHOULD...
GET READY.
...Kayan, the frightening person who made Won go pale in an instant...

He is a person
whose aura can
take away one's
breath whenever
he comes near.

I'm disappointed... I wanted to see you in Earth clothes.
It's nice to see you again.
Externus?
Externus Yohan.
It's been a while, Prince Kayan.

...And Nokia.
Greetings, Yohan-nim.
Nokia?
Oh-so that's how it is
Just like Won has Yohan as an advisor
Kayan has that woman as an advisor
Are you planning to make me stand outside all day?

Whatever you would like to say, you can say it withough coming in.

DOGS SHOULD ACT LIKE DOGS.
My—you spoiled him, Dominic
If they try to defy their masters—

..they will either be punished,
or be abandoned.
Yohan-hyung...

That glare you give me...
I don't like it at all.
STOP IT RIGHT NOW!!
STOP IT!
WHAT DO YOU THINK YOU'RE DOING IN SOMEONE ELSE'S HOUSE?!

Saeju!
So she's the one.
SHOULDN'T YOU HAVE BETTER MANNERS AS A PRINCE?
...
THIS GIRL IS...
DOMINIC'S 'EL RAMIR'?

Isn't this such a nice place? This Earth.
How about it, Dominic?
Why don't you just give up on the throne and live here?
!
It seems like you're much livelier here than in our kingdom.
PRINCE KAYAN!!

If Yohan hadn't picked you in the first place, you wouldn't have to be standing here before me, trembling.
You could be hanging around the castle right now with those birds you love so much, right?
PRINCE KAYAN! PLEASE STOP!!
He's a devious person
He knows Won's weaknesses
and he's cunningly driving a wedge between the two

He's right
휘이잉
Windblowing
Why do you insist on being King?
I...
You're already giving up on it.
WOAH!!
What's with this sudden gust?!

STOP...
DOING THIS!
This boy...
It's the same as the first time I met him.
No! He's much angrier than the time I met him

This is dangerous!!
This is the last time I'm giving you a chance to give up on the throne
...This is the only chance.
Think about it Dominic.
If you're really willing to go up against me..

YOU'D BETTER BE PREPARED TO LOSE EVERYTHING!!
Well...
?!
It seems you're already losing what's yours
Swoosh

PRINCE DOMINIC!!
WON!!
It's because he recovered from the tension.
Let's take him to his room.
This little provocation made him collapse.
Collapse
This may really be a grave situation.
Hey—that bastard was being really brutal there.

He looks so much different from Won. Are they really related?
That's why he has black hair and black eyes, unlike his brothers.
Hmm~
He wasn't
Kayan has a different mother.
like that from the beginning.

What did he call me? El' Ramir. .?
It's an honorific title for a woman.
Although, it's only used in our Kingdom.

How about 'Extemus'?
What did he mean by that?
Fine. Ignore me all you want.
Excluded one.
Or.
Forsaken one.
It's a name that will follow me until death.

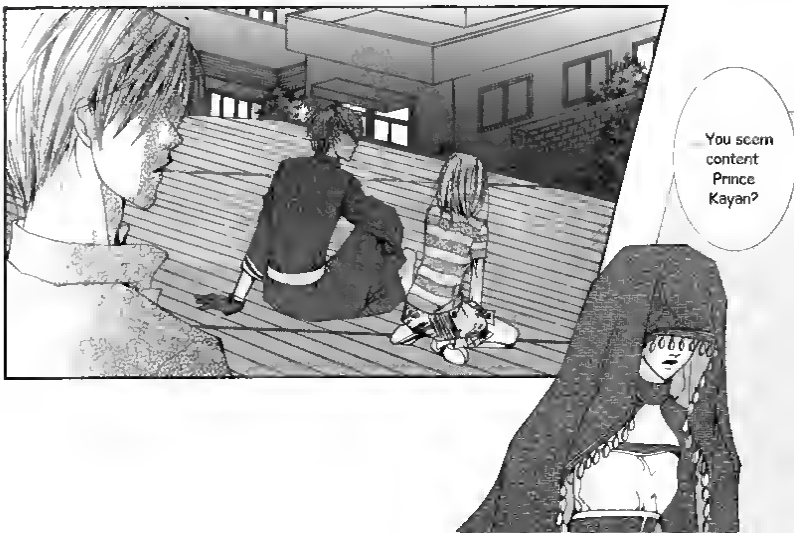
How?!
What kind of name is that for a high-class guy like him...
Ah! The atmosphere became depressing.
Then...
How do you say 'money' in your language?
...?
Argentum
Then, 'give me'?
What is it you want to know?!
Well.
You never know, I might land on your planet without any money...
What kind of nonsense is that?

If everything goes well... Then some hundred servants will come and escort you to the Kingdom
And...
Regina (Queen).
That's the only word you need to know
You will become a beautiful queen.

.....
Then, that means—
I'm close to ruling the universe?
QUIT JUMPING TO CONCLUSIONS!!
Don't worry! I'll let you take part
I DON'T WANT TO!
Playing hard to get?
No...
Nn—
No...
How dare you!!

I'll return the favor.
You'll pay for the impudence of trying to steal the throne from me!!!
THAT'S NOT IT! I...!!
NO!!
.....

Nn...
Where are you?
Yohan-hyung
Yohan-hyung!
I...
!



You seem content Prince Kayan?

This is going to be fun, though.
I was going to finish this quickly,
but I changed my mind.
I don't know~
Do you know what characterizes weaklings, Nokia?
When my former best friend looked at me with those hateful eyes
as if he were looking at an enemy, I suddenly got the desire to torture him.

They are cowardly,
fragile,
and uncertain.
or even be taken away from them.
Since they have no confidence in themselves, they're always worrying that someone will betray,
or leave,
It's like they're their own worst enemy.
Yohan-hyung...
Saeju...

Well it seems you're already losing what's yours
That time he was definitely looking at Saeju
No!!
No!!
Yohan-hyung would never do such thing!!
Yohan-hyung won't ever steal Saeju away from me
He won't ever betray me
Yes-
But...

What if...
You can look forward to it, Yohan.
Saeju begins to like Yohan-hyung?
THE FEELING OF BEING BETRAYED BY THE PERSON YOU TRUSTED MOST.

I'LL MAKE YOU FEEL THE SAME WAY YOU MADE ME FEEL.

A Diary of Troublesome Adventures

Chapter 14

I still remember the time..
That I first met Yohan-hyung
This is the professors' opinions of you.
Meanie, it's your report card!!!

.....

This guy seems really scary~
I heard that he's close to Kayan hyung-nim.
Why did he pick me over hyungnim ?

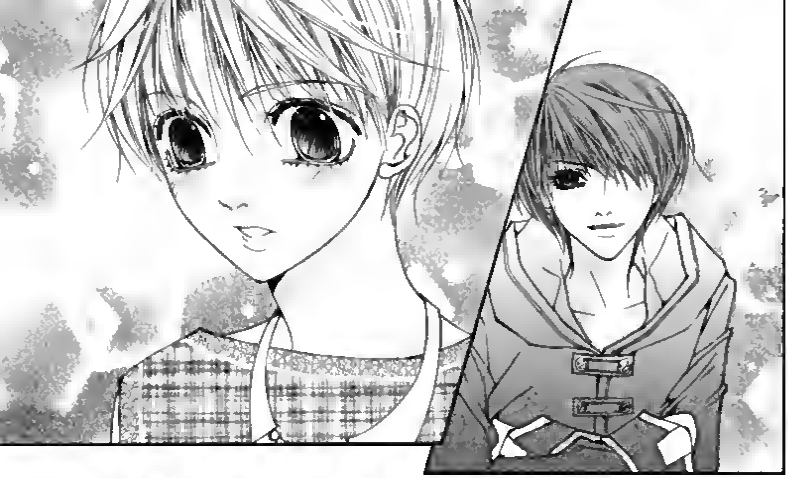
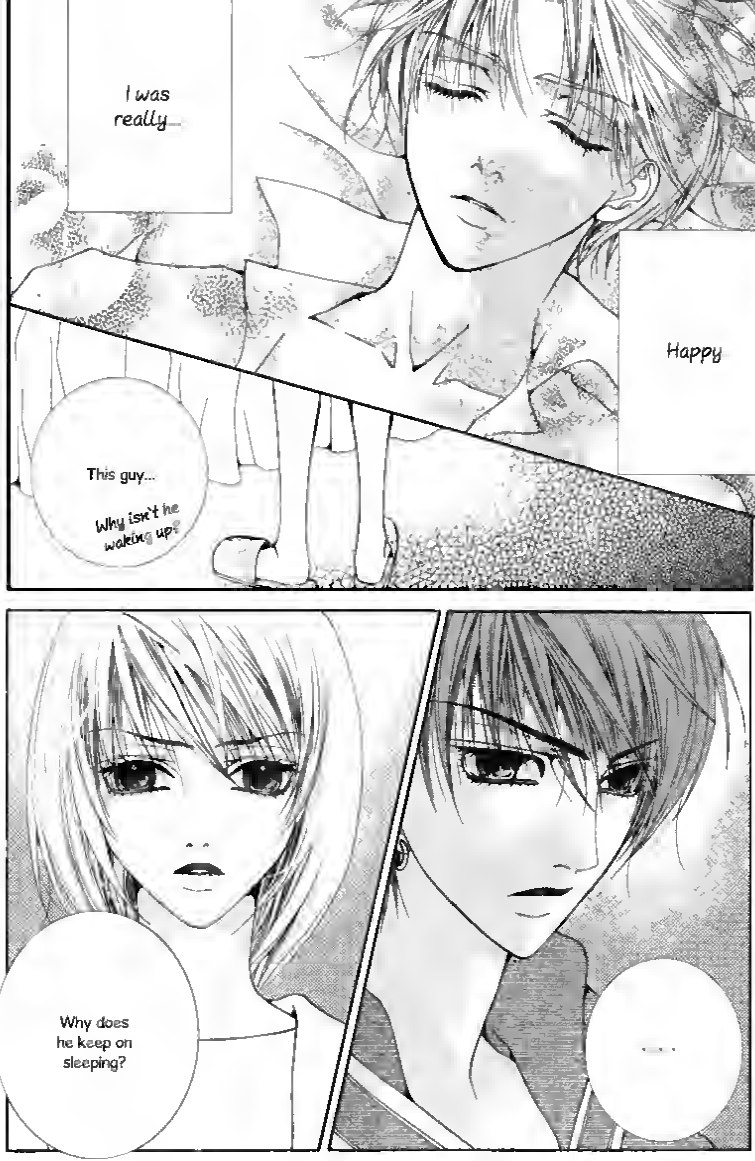
You missed a lot of classes because of your poor health?
Well, actually...
He actually skipped them.
That's okay.
You can improve as we go on.
I already entrusted the kingdom's future in your hands,
And I believe that you will grow up to be an excellent king



Because that was the first time anyone had ever had high hopes of me

I was really happy to hear that



I was really...
Happy
This guy...
Why isn't he waking up?
Why does he keep on sleeping?
...

For the first time, I tried my best...
At everything I did
I tried my best to meet his expectations but I couldn't do well as my brothers
Prince, that's enough, you might hurt yourself
But I said I'll finish this by tomorrow...
I promised...
Hyung has never gotten angry with me, but...

챙 챙
clang--
PRINCE!!
Haven't you ever regretted choosing me..
Weren't you ever disappointed in me?
Even once?
HE COLLAPSED?
과광
He was up late practicing with his sword--
...

You have to learn to take care of your health.
I DON'T KNOW ANYTHING!
If you suddenly overwork your body like that...
IF I DON'T PRACTICE LIKE THAT,
I'LL NEVER BE ABLE TO DO HALF OF THE THINGS YOU'VE TAUGHT ME!!

BECAUSE I AM SO WEAK!!
IF I DON'T OVERWORK MYSELF, I DON'T KNOW HOW I CAN MASTER ANYTHING!!
. . . .
Sob

Do I really have to go?
Because you are the successor of the throne, you must make all public appearances
Walk with your shoulders back and be commanding.
You are going to be the king in the future.

No.
I can never become the king.
I can't even bring myself to be commanding like hyung.
Why did you choose me?

I'm so bored~
How many days have I been stuck in this house?
And Wen keeps on sleeping!!

I AM GOING TO DIE OF BOREDOM!!
Even if it's me, I can't be in two places.
HEY! I AM GOING TO DIE OF BOREDOM!!
Deal with it.
I can't escort two people at once.
HOW LONG AM I GOING TO BE IMPRISONED IN THIS HOUSEEE...?
THE WEATHER IS SO NICE, TOO!!
I NEED TO GO SHOPPING FOR THE CLOTHES I HAD IN MIND FOR THIS FALL!!

Am I being too harsh...?
Truthfully, if it wasn't for us, she wouldn't be going through all of this.
I want to eat Jiangsu's Seafood Ramen~
I want to eat snow-flower lotus~
Alright then
Let's go shopping
Hmm?
But you have to stay by my side at all times!
And we have to go only to the necessary places and come back soon
You are coming with me?
You have problem with that?
With that outfit?

Shaaaa
What are these?
Calvin Klein?
FENDI and even Prada?
Earth's clothing isn't so bad.
I can't believe this guy...
What should I wear...?
When did Yohan buy all these clothes?
Every night he went online shopping

Hey. Look.
Woah Are they models?
Her face is really small.
That man. He's drop dead gorgeous!!
Grr- This is embarrassing
I'm really gonna have to hurry and buy only what I need.

Well, I guess
It's undeniable that he has a rare charming style
That's odd. I always despised people with slitted eyes
Do you always shop at this mall?
It's crappy
If it wasn't for this bastard's nasty rude temper!!

Hurry up and pick hurry!
Said already!
AH!
THERE IT IS!!
Cute student with a fashion sense!
This is this fall's best-selling item.
How much is it?
It's 50,000 won
EEK! EXPENSIVE!
Are you going to buy that?
!!

Got elbowed in the stomach.
You stay out of this!
At places like this, it's crucial to bargain the price
Wow~ Your boyfriend is really striking.
How about a couple-look?
LOVE
No way!
Who the heck would wear that?
I'll buy everything you have in stock.
Credit card that is only given to 0.1% of the world population.
WHAT ARE YOU DOING!!
IF YOU DO THAT, THERE'S NO POINT IN SHOPPING!!
PICKING AND CHOOSING IS THE FUN PART OF SHOPPING!!

How bothersome.
And it's taking too
Should I just buy the whole building?
This guy took it step fu...
He got kicked out at last.
He said that he would buy the whole building itself.
He really looks like royalty.
It's that guy.
He's Samsong Company's
What? But I heard that he is Prince of Japan who secretly came to visit Korea.
Meanwhile, Saeju.
Ah, really~ Take off 1,000 won*!!
Aw, but I heard that your boyfriend is heir of a 3rd generation plutocrat
That rumor's spread around the whole building already

His money is his money!!
And I am not going out with that guy!
Don't be shy~
The clothing from our planet
That kind of clothing will suit her well.
...I don't like how Earth's women dress
Women look more beautiful in flamboyant clothes

Towards the future queen..

Stare-

Why do I feel so relaxed around this girl?

...Let's go, your majesty
Why are you using honorifics when there's no one around?
Pang
No!! There's something wrong with her behaviors!!

Again...
I feel the presence of someone, but it's so faint that I can't tell who it is.
What's wrong?

It's the same aura as that time. At the school I mean.
Since we can't just disappear, we are going to run, okay?

KYA!
Is Prince Dominic okay?
So far I don't detect anything wrong with the barrier

You got me scared for no reason

..Is he gone?
I think so

That's good.
Actually, it might not be that good...
I don't think he came to spy on us...

I think his objective was to kill us once and for all.

He fled when he found out that it wasn't possible.
...!!

Saeju?
Gah, I'm gonna die—
It's been a really long time since I ran with all my might.
헉

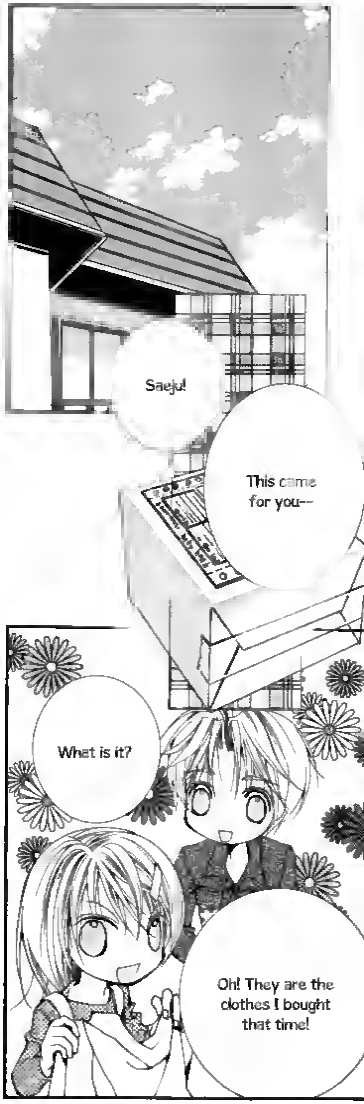
Whose fault was that? I told you to go outside

Well, thanks to me, we got to exercise
Coming up with excuses--
...Did something happen?
Oh--!
You finally woke up?
I went outside with him for a brief while
...The two of you?
Yeah.

How can you sleep for so long?
Aren't you hungry?
I really don't
Want to think this way
Are you feeling better?
Turn
I'm hungry Give me food
Hey! Don't hold on to me! I'm exhausted.

...?
Thank you for the meal.
Saeju. Where are you going with that?
Oh. I'm going to give them to Jackey.
Wow, and I thought you guys were always quarreling..
That guy went outside and helped me out a bit
So he's getting some food as an apology...

They are really getting along well.
I really don't...
Want to think this way...



Saeju!
This came for you--
What is it?
Oh! They are the clothes I bought that time!

I'm gonna try them on
But I want to see her try them on
Come in!!
How is it?
Woah--
So pretty!!
Doesn't it look good on me?
Yeah

It's really—
Pretty!
.....
Let's get married now, Saeju!
쿵
Don't joke around.
Then, next one!
헉
!!!
I..I.. I'll step outside!
It's fine, it's fine. What will a little one like you do—
You are only 10 years old.
Still, looks young
똑 똑
Hey, I have something to say—

BOOM!!
HEY--!!
YOU WERE SUPPOSED TO KNOCK!!
I ALREADY DI....!
That's not it
.....
..Sorry
Dang it~
You scared me.

I've never seen Saeju's face get that red before…

What is this
It's fine it's fine What will a little one like you do--
Hey!!
What is this!!
No!!
I really don't want to think this way!!

I should rather...
Yohan-hyung!
From now on, I am going to put someone else in charge of escorting Saeju.
WHAT?
Hold on Prince!

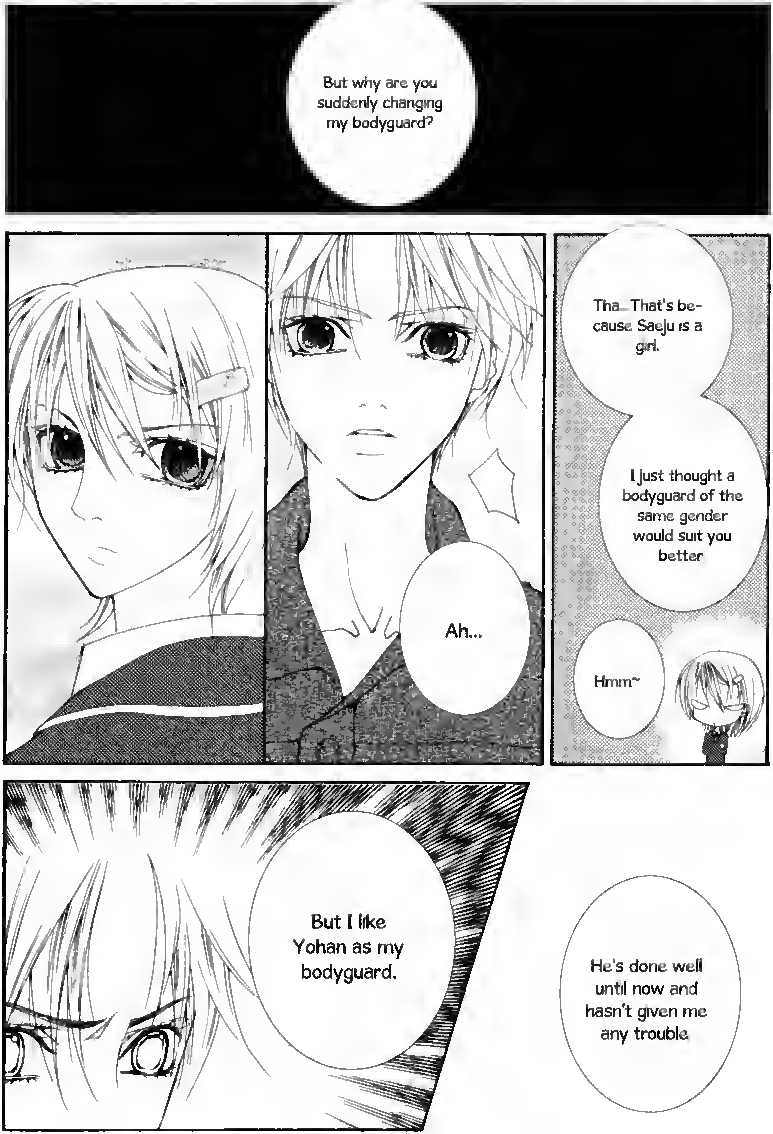
Chapter 15
A Diary of Troublesome Adventures

You should take your hands off of anything related to Saeju.
Hold on, Prince.
...!
.....
I know what you want to say.
I also know that there's something wrong with my actions.

But right now...
I heard this rumor once...
I...
The rumor was that hyung picked me because I would be easy to manipulate and control since I'm small and weak.
That's not it, right?
You will follow my "orders", right?!

Was this what Kayan was aiming for...?
I understand
I will follow your orders.
Open
Huh?
What are you guys doing here?

You're not even in your uniforms...
...?
...Saeju.
From now on I will assign a different bodyguard for you.
Wait. Does that mean there's going to be another freeloader?
WE DON'T HAVE ROOM FOR ANOTHER PERSON!
I...I will take care of that.



But why are you suddenly changing my bodyguard?
Ah...
Tha...That's because Saeju is a girl.
I just thought a bodyguard of the same gender would suit you better
Hmm~
But I like Yohan as my bodyguard.
He's done well until now and hasn't given me any trouble

Did you ask Yohan?
Bam
Did he agree to that?
YOHAN HYUNG IS ONLY HERE AS MY ADVISER!
AND OBVIOUSLY HE'LL FOLLOW MY DECISIONS!

It's true
The one that is slipping away
The one that I'm beginning to lose...
Is definitely Saeju
But I may still be able to bring her back
Right now, I only have one thing that I wish for
No. I will get her back!

Saeju...
She is the only one I want
He doubts Yohan...
And he plans on getting a bodyguard from this planet who's people are all my followers?!

Ha ha! He's doing as many foolish things as he possibly can...
Really, you never fail to meet my expectations, Dominic.
How dare you betray me to make a king out of that brat, Yohan.
Crack
I used to tell you everything.

...Nokia.
Please calm down, Kayan-nim
I trusted you with everything!!
The one who will become king is you, Kayan-nim.
I will make sure you will.

No matter what it takes I will...!!
That's right Nokia.
On the day I become the king, I will place a shining crown on your head as well.
The one who suits the queen's title best is not some human girl..
But... you!

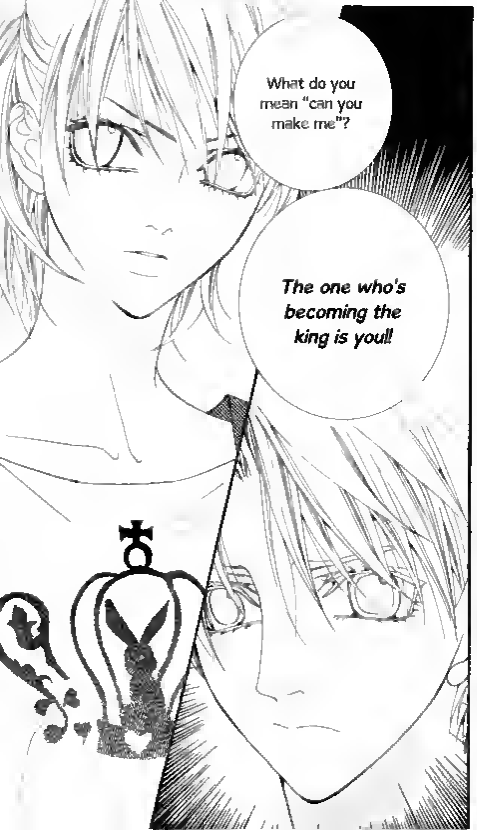
It would be good if you realized...
Changing bodyguards...
It won't go as you planned, Yohan, Dominic...
Just how powerless you really are.
WHAT?!
THERE'S NO ONE TO TAKE THE BODYGUARD JOB?!

What does that mean, Yohan hyung?
.....
Kayan gave orders against it to the Royal Army.
He also threatened the people by telling them that he would consider anyone who aided us a traitor

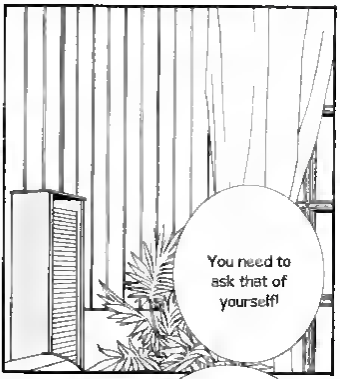
No one will take the job just because that guy said so?
How fear-provoking is this Kayan person?!

Hyung
Can you really make me into a king?
Prince Dominic...
Damn it!!
How can you think even with your superior powers...
That you will be able to make a king out of that fragile child, especially when you are surrounded by enemies?

Hey, I don't like your words just now.



What do you mean "can you make me"?
The one who's becoming the king is you!!



You need to ask that of yourself!

I hate people who push their problems to other people.

Teary
TAKING YOHAN HYUNG'S SIDE WITHOUT KNOWING ANYTHING!!
Wah...
Saeju is...
What?
That brat!!
What does he mean I took sides?

I'm okay.
I wasn't expecting this kind of situation, but...
Even though it's a heavy burden...
In the end, it's my burden to bear...
.....
Are you okay?

It's weird..
Maybe I'm just soft towards those who have a strong sense of responsibility.
Ola
It was the same with Woru
No matter what kind of situation, he never said "it's too burdensome" first
But...
Hey, you know you'll shrink if you keep carrying such heavy things, right?

From now on I won't bug you about letting me go out
I am sorry about the last time, too
That's one thing I am glad to hear.

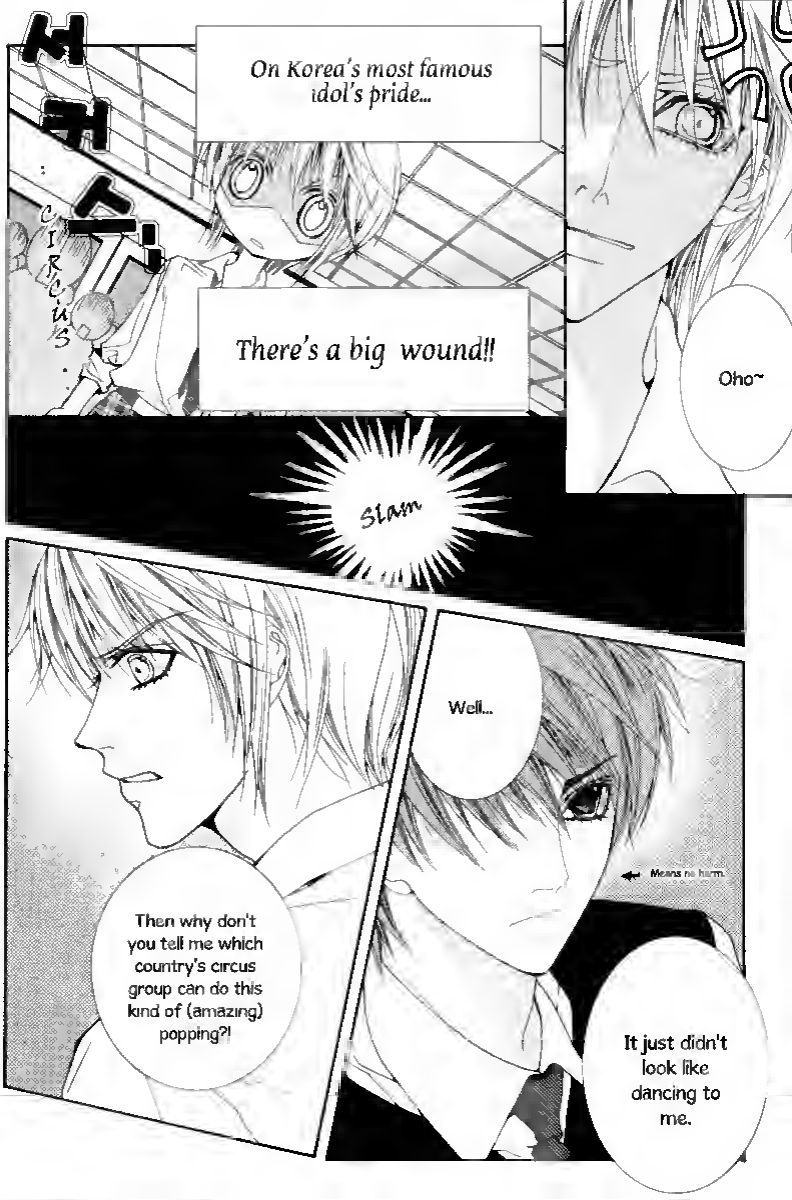
However, you don't have to hold back on too much
You are already sacrificing so much.

Plus, I am very talented.
So don't worry too much.
Dear queen.
.....
...Somehow...

?
Although the lackey's use of "dear queen" bothered me a lot
We still went back to school.
Okay! Now...
We will discuss which activity we'll hold during the Blue High School's 12th festival.
A festival in the midst of all this mess
Somehow this side lacks more sense of reality at now !!

Excuse me!
Since we have Haru in our class...
Why don't we learn a dance from him and then perform?
Oh!! A dance!!
That sounds like an awesome idea
Dance, huh...
If you are talking about a dance everyone can do...
Popping!
You start popping from the tip of your hand...

And keep doing it rhythmically until...
tick
The tip of your other hand!
clitter
clack
Is he a human... Or a machine...
There! Easy?
Easy for you!!
What should I say...
It looks more like a circus act than a dance.



On Korea's most famous idol's pride...
There's a big wound!!
Oho~
Slam
Well...
Means no harm
It just didn't look like dancing to me.
Then why don't you tell me which country's circus group can do this kind of (amazing) popping?!

춤같지가 않아...??
Didn't look like dancing...??
100 doom lines of hurt
Traditionally, dancing is...
HARU!!
When men and women dress up, stand face to face...
And get to know each other through the music and skinship... Isn't that more noble?
Men and women stand face to face...
And get to know each other through music and skinship?!

T/N: *SKINSHIP IS A WORD USED BY KOREANS THAT MEANS PHYSICAL INTIMACY

Yohan Shin!
What kind of person are you...!!
It's been a while since I've been to a party.
Are you a poor child from the countryside?
"It's referring to how old-fashioned Yohan is being.

But...

In our class we have super hot boys!!
And super cute girls!!
I want to try.. This dance...
Everyone is thrilled.
HOORAY!

AGREED!!
TOTALLY AGREED!!
I can dance with Haru in public!!
A DANCE PARTY FOR THE WHOLE CLASS SOUNDS AMAZING!!
Isn't this the kind of memory you can make only during your school years?!
불끈
clench
TRUE!!
TRUE!!
와
Wh...What? Is there something going on in the next class?
And so...
Dang it.

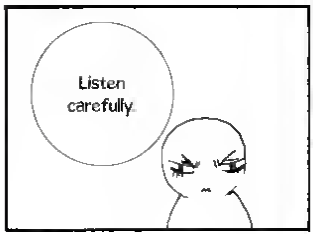
Why am I doing this...

It seems like Yohan knows how to dance, so Saeju can learn it from him and then you can teach it to us!
Hey!
PLEASE SAEJU!! THERE WON'T BE ANOTHER CHANCE LIKE THIS AGAIN!!
YEAH! I WANT TO HOLD HANDS WITH THE BOYS CONFIDENTLY!!

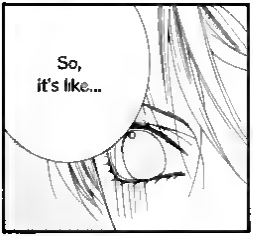
I will teach you, Saeju.

First, you cross your feet like this...
Huh?

Was the girl's supposed to be on the left?
No!! It was the man's...
HEY! THIS IS EVEN MORE CONFUSING!!
This is a mess
Yohan hyung. I forgot
Left, right, left, right...
Well.. You really didn't have a lot of experience in
Trying to make it work all of a sudden is impossible.
I will just teach her the basics
Only the basics
You will?



Moments later..



Again...
Anger!
OVER AND OVER AGAIN! HOW MANY TIMES HAS IT BEEN?!
AT LEAST TELL ME WHAT I DID WRONG SO I CAN FIX IT!
AGAIN...
Dammit..
!
AH! I REMEMBER!!
Left--
Right--

Come back again and turn
Then take a step back with right feet...
Right?!
Yeah.

And the next step is...
By not explaining it in detail, he made me think harder about what I was doing!
And he makes me pay more attention when he gives instructions.
Now I get it...
Now I see that he's an expert at this...
As expected of a prince's tutor...
WHAT ARE YOU LOOKING AT? LISTEN CAREFULLY!!
I AM LISTENING!!
Sunset
Tired, Won went to sleep

So are we all done with the basics?
Is this really the "basics"?!
Pant Pant Pant Pant
Yes.
Hmm? What? Are we gonna do it for real?
Now then...
Reach out
Bow--
Damnit
Result of tutoring

Hey, isn't this a bit awkward?
What is?
You were dancing with the prince just a while ago
Oh so you are used to these kinds of stuff
Just keep your focus on your partner!!
who in the world glares at their dance partner while they dance?!
I CAN DO WHATEVER I WANT!
Good.

You turn so your back is against your partner.
Then you turn forward...
She's better than I thought
Left foot, right foot...
It's almost to the point where I want to dress her up right now and take her to a real ballroom!
Put your arms out...
Then come back with a turn and...

Finish.
I did it without any mistakes, right?
Yeah. You did good.
yAy!!
I did it!!

She seems so strong but she's also so delicate
Sometimes she's so pure-minded to the point where it surprises everyone

Really this girl is
Hey, lackey!
Let's do this once more before I forget.
Thu-thump
Slap
Practice with Prince Dominic.
What?
Since I am done with teaching you the basics, you should practice with the prince.
?!

I can't have these feelings!!
If I start feeling like this, then what Prince Dominic
What am I thinking?!
